Vet Visit Log

Health notes at a glance

A running history of checkups, shots, and anything worth remembering.

Date	Reason for visit	Weight & notes	Next visit

Felix's tip

Bring this log to every appointment — it helps your vet spot patterns over time, and it's a handy record to leave with a pet sitter in an emergency.

Weight & Growth

Watch me grow (or stay perfectly round)

A quick check-in every month or two helps catch changes early.

Too thin

Keel bone very prominent, sharp ridge

Ideal

Keel felt with slight muscle coverage

Overweight

Keel hard to feel, rounded chest

Date	Weight	Body condition	Notes

Felix's tip

A healthy weight varies a lot from one individual to the next — your vet can help you set a target. Sudden weight loss or gain is always worth a check-up.
