A running history of checkups, shots, and anything worth remembering.

Date	Reason for visit	Weight & notes	Next visit

Georgie's tip

Bring this log to every appointment — it helps your vet spot patterns over time, and it's a handy record to leave with a pet sitter in an emergency.

Weight & Growth

Watch me grow (or stay perfectly round)

A quick check-in every month or two helps catch changes early.

Too thin

Ribs/spine easily felt, no fat cover

Ideal

Ribs felt with slight fat cover,
visible waist

Overweight

Ribs hard to feel, no visible waist

Date	Weight	Body condition	Notes

Georgie's tip

A healthy weight varies a lot by breed and frame — your vet can help you set a target. Sudden weight loss or gain is always worth a check-up.
